SAGAR JAMBAGI

Frontend Developer

@ Sagarjambagi6728@gmail.com   📍 Maharastra, Pune   PH: 6363595835

SUMMARY

A skilled and motivated Full Stack Developer with experience in React, TypeScript, and JavaScript. Committed to delivering high-quality results and working collaboratively in a friendly and dynamic environment.

EXPERIENCE

Sr Analyst/Software Engineer

Capgemini

📅 01/2022 - Present   📍 Maharastra, Pune

Worked on the Restaurant management Project with 2.6 years of experience in maintaining and enhancing web applications using JavaScript and ReactJS. Worked extensively on JavaScript and ReactJS codebases for a maintenance project, ensuring code quality and reliability.

- **Bug Fixing:** Analyzed logs to identify root causes of issues, suggested fixes, and implemented code changes to resolve bugs.
- **Feature Implementation:** Collaborated with the marketing team to add new features as per requirements, involving minor to moderate code changes.
- **Log Analysis:** Regularly analyzed application logs to monitor performance and identify issues, contributing to proactive problem resolution.
- **Cross-Functional Collaboration:** Collaborated with cross-functional teams to ensure timely delivery of project milestones.
- **Debugging:** Debugged and resolved application issues to improve user experience.

STRENGTHS

⚡ **Problem-solving skills**
Strong problem-solving skills with a focus on identifying and resolving issues efficiently.

💡 **Team player**
Ability to work effectively in a team environment and collaborate with cross-functional teams.

🚩 **Attention to detail**
Detail-oriented with a strong commitment to quality and accuracy.

PRIMARY SKILLS

React   JavaScript   TypeScript   jQuery

CSS   HTML

ACHIEVEMENTS

🏅 **Efficient Bug Resolution:**
Decreased the average time to resolve critical bugs by 30% through efficient log analysis and root cause identification.

🚩 **Professional Growth and Learning:**
Continuously updated skills by attending webinars, and completing online courses on advanced ReactJS and jQuery techniques.
